### Accommodation and Meals

Students taking the homestay programme stay with carefully selected host families that all live close to the school. There will only be one student of each nationality in the homestay, with a maximum of 3 students, although the norm is 2 students. Families provide full board to the students with a packed lunch on afternoons when there are activities. Students live as part of the family for the duration of their stay.

There are activities each afternoon and a full day excursion every Saturday. Students are accompanied by Frances King staff on all their activities. Each day after their activity students return to their host family for their evening meal.

Non-homestay programme: It includes morning lessons, lunch, afternoon activities and excursions.

### Free Time

All our host families are within walking distance of Dalkey village. In the evenings students socialise with their host families or together in small groups in the village. We offer 24 hour support to all our students.
