One-to-One Programmes

These programmes are completely tailor-made – a detailed needs analysis allows you to specify your needs and objectives before the course starts. A One-to-One programme will quickly improve your general or specialised English. We cater for many professional areas, including sales and marketing, finance, law and management. We can help you to prepare for business presentations, negotiations or meetings, and develop key communication skills such as telephoning, business correspondence and report writing. We also offer CV, interview and examination preparation for TOLES, ILEC or BEC.

One-to-Two Programmes

These programmes are for two friends, colleagues or family members with the same level of English who wish to study together.

One-to-One 9 Day Immersion

Suitable for business people with an urgent language learning need such as preparing for a presentation, a conference, negotiations or meetings abroad but who can only take one week away from work. This programme takes place over two weekends and the week in between. In addition, lunch is taken with a teacher. Participants should arrive on a Friday and be ready for classes to start on the following Saturday, but the programme can be adapted if necessary.
